

1998

Dear students and master's degree students!

The International Business School of ABU announces the launch of a new project, implemented in collaboration with Varna University of Management (Bulgaria), aimed at students of our university for completing internships (both online and offline) and obtaining certificates to confirm their competencies in various areas such as:

- Human resource management;
- Strategic company management;
- Change management in a company;
- Leadership;
- Project management;
- Effective marketing and marketing communications;
- Innovative management and entrepreneurship;
- Basics of financial literacy;
- Multicultural communications;
- International business law;
- Risk management;
- Company brand management;
- Business process reengineering;
- Market research and business analytics;
- Financial analysis of a company;
- Negotiation skills.

The program volume is 2-3 credits. The cost of the internship is 25,000 KZT. A 10% discount is provided if you enroll in several programs.

Enrollment in the courses is done by filling out an application and sending a copy of the payment receipt to the email address: oms_abu@mail.ru (note the underscore in the address).

Attention! Payment is made according to the university's details via bank transfer.

Participant Registration Form:

- 1) Full name in Russian and English
- 2) Email address
- 3) Mobile phone number with WhatsApp (for seminar information and connection link distribution)
- 4) Name of the chosen program

The internship period will be determined as the groups for a specific program are formed, taking into account the participants' preferences.
